Equipped with automatic light control and a 30AH lithium battery, it provides long-lasting, eco-friendly lighting for residential and small commercial spaces. Easy to install and maintain, this solar street light is a cost ...

Our Natron Solar LED Street Light in 30 Watt comes with a simple way of installation compared to traditional lead-acid battery systems. Natron enjoys a smart and unique design together with the best components ...

With an integrated design that combines the solar panel, LED light, battery, and controller in one unit, this solar street light ensures easy installation, minimal maintenance, and reliable performance.

The Sky 30w Solar Street Light Has a Built-in Large-Capacity, Durable Lithium Iron Phosphate Battery, and the Cycle Time Is 2000-6000. When the Solar Lithium Battery Is Fully Charged Through the Solar Panel, the ...

1.LED light, solar panel, lithium battery and controller,all in one compact design. 2.No wiring,100% solar powered,easy to install and ship. 3.Built-in infrared sensor/microwave sensor,can adjust the light output ...

This Solar street light has been installed with an MPPT (Maximum Power Point Tracker) Charge Controller. This type of controller makes it a fast charging street light. It will give you advanced efficiency than the PWM ...

30W Semi Integrated Solar Street Light, also named all in two solar street light, whole light efficiency is up to 170LM/W, equipped with LifePO4 lithium battery

The AISL33100130ML/MP system comes with inbuilt Lithium Ion or Lithium Ferro Phosphate battery pack, a 30W LED giving a 3800 lumen output and a 60W Solar Panel. System comes along with a mounting bracket ...

30W solar container lithium battery solar street light

It consists of a discrete solar panel installed on the top of the fixture, with a lithium battery installed inside, and a high-quality SMD/LEDs on the underside of the unit. Also on the underside of the light is a motion sensor.

The 30W solar street light uses high lumen lamp chips with luminous efficiency up to 180lm/w (@25?) and aluminum lamp base with good heat dissipation. Anti-aging and long service life.
