You can translate from English on various platforms like Translate . Simply input the English words or text, select your desired target language, and get the online translation instantly.

Yandex Translate is a free online translation tool that allows you to translate text, documents, and images in over 90 languages. In addition to translation, Yandex Translate also offers a ...

These modules utilize advanced N-Type TOPCon technology and feature large-size 182mm half-cut cells. With power outputs ranging from 415W to 640W, they hold a competitive position in the market ...

Better light trapping and current collection to improve module power output and reliability. Excellent Anti-PID performance guarantee via optimized mass-production process and materials control. Module ...

Quickly translate words and phrases between English and over 100 languages.

Maple Leaf Solar's 570W All-Black Bifacial Solar Panel redefines solar efficiency, providing 10-30% more power over its 30-year lifespan compared to conventional P-type modules. Featuring N-type solar ...

Half-cell and multi-main gate design with ultra-thin dielectric film to isolate metal and semiconductor can achieve carrier tunneling effect to ensure carrier conduction and increase power output. * Please refer ...

Instantly translate texts, documents, images, and speech online for free with OpenL. Ideal for writing aid and grammar correction.

570W photovoltaic panel size

The Photovoltaic Panel 570 measures 2279mm × 1134mm × 35mm (approximately 89.7" × 44.6" × 1.4"), making it 12% more compact than standard 550W panels while delivering higher efficiency.

Powitt Solar Co., Ltd. Solar Panel Series N-TYPE 550-570W BD. Detailed profile including pictures, certification details and manufacturer PDF.

Type to translate. Drag and drop to translate PDF, Word (.docx), and PowerPoint (.pptx) files with our document translator.

The SunEvo N-type Bifacial Half-cell Module can reach power output up to 575W. N-type material has zero LID/LeTID risk, and make modules to be higher reliable, higher bifacility, higher efficiency, lower ...
