What is the best lithium battery for a trolling motor?

Dakota Lithium is the best choice for lithium batteries for trolling motors. With Dakota Lithium, you can #FishLonger with 3X the run time for your trolling motor.

How long do Dakota Lithium batteries last?

Dakota Lithium batteries will give you twice the run time for your trolling motor while lasting 8x longer, providing exceptional lifetime value. We've harnessed the power of lithium chemistry and combined it with North Dakota grit to build you a better battery.

Why should you choose a Dakota lithium battery?

Dakota Lithium batteries offer twice the run time for your trolling motor and last 8x longer compared to traditional batteries. They also perform well in cold temperatures down to -20°F and weigh half as much as SLA batteries, making them a superior choice for your boat.

What is Dakota lithium?

Dakota Lithium is a battery brand built for abuse during long North Dakota winters. They combine lithium chemistry with North Dakota grit to build better batteries that help power your passion from morning to night.

We review the Dakota lithium battery we used for the trolling motor on our 2024 Atlas Boatworks 23F demo boat.
