"Free" and "on the house" both mean that you don't have to pay, but the inferred meaning is slightly different. If something is "free", it is without charge. For example, you might ...

Protect your facility and your team with Securall's purpose-built Battery Charging Cabinets--engineered for the safe storage and charging of lithium-ion, lead-acid, and other rechargeable batteries. Securall ...

What is the opposite of free as in "free of charge" (when we speak about prices)? We can add not for negation, but I am looking for a single word.

For example, imagine some food company decides to make their fruits permanently free. Online, you can "order" them (for free), but in person, what do ...

I don't think there's any difference in meaning, although "free of charges" is much less common than "free of charge". Regarding your second question about context: given that ...

Exponential Power's Battery Cabinets & Enclosures provide durable, secure solutions for telecommunications and industrial applications. Designed to protect battery systems, these cabinets ...

- Designed according to the specific UPS model for easy connections, correct recharge current and appropriate discharge rating to optimize battery life. - Modular hot-swap battery cabinets with string ...

Our team of experts can help you configure your cabinet solution based on your unique needs. You can purchase both batteries and cabinets in a single purchase order.

In the context such as "free press", it means libre from censorship, "gluten-free" means libre from gluten and so on. Then there is "free stuff", why is the same word used?

Free quote for single-phase lead-acid battery cabinet

Similarly, "free education" is funded by the state (which is ultimately financed by taxpayers) and taught in state-run schools called state schools whereas schools that charge ...

My company gives out free promotional items with the company name on it. Is this stuff called company swag or schwag? It seems that both come up as common usages--Google ...

Choose from a line of custom NEMA battery enclosures designed to house and safeguard your generators in the long term. Each enclosure meets rigorous industry standards for quality you can ...

A friend claims that the phrase for free is incorrect. Should we only say at no cost instead?

If so, my analysis amounts to a rule in search of actual usage--a prescription rather than a description. In any event, the impressive rise of "free of" against "free from" over ...

We can supply customized lead acid battery rack and cabinet system for solar, UPS, Telecom, Data center etc. EverExceed designs customized battery cabinets / racks for individual batteries. The ...

Our backup battery storage cabinets are a convenient solution for storing spare batteries on site. Cabinets include a 12-Volt charger inside that is pre-wired to the batteries with pluggable connectors.
