How much do garage cabinets cost?

I found out that garage cabinets cost between \$100 and \$400 for small cabinets that can be freestanding or wall-mounted. Tall floor garage cabinets usually cost between \$300 and \$800. There are some obvious exceptions to this. A basic plastic cabinet will cost under \$100, and the average Snap-on cabinet can cost as much as a used car.

Are custom garage cabinets worth it?

Custom garage cabinets can be a valuable addition to any garage, providing ample storage space and organization for tools, equipment, and other items. The cost of custom garage cabinets can vary depending on several factors, such as the size, materials used, design complexity, and project location.
