Leader Solar panels are made from a block of silicon, consisting of a large number of crystals. They are highly efficient Solar panels for solar power generation which come at best price with IEC certification ...

LEADER is involved in the construction of many large-scale solar power plants around the world, with rich practical cases of DC side connection of photovoltaic power plants.

From consulting and design, construction to maintenance, our global team of PV experts will ensure your system is optimally connected for maximum efficiency, safety and profitability. The ...

Your Ideal Solar Cable & Connector Manufacturers, Solar Branch Connector, Solar Cable Connector, Waterproof Connector, Solar Junction Box, Solar Cable supplier, Solar Installation Tool ...

LEADER Group was established in 2008 and specializes in the R& D and production of solar cables, solar connectors, solar junction boxes, cable wiring harnesses, power cables, combiner boxes.

We are a globally leading manufacturer of solar PV connecting solutions, producing solar combiner boxes. MCB/SPD, DC Isolator Switch, and other components for solar systems. Provide pre-sales ...

The success of any solar photovoltaic (PV) plant comes down to reliable, efficient and long-term performance. With Leadergroup Renewable Energy as your partner, you benefit from our high ...

One-stop solution for solar cable wiring systems, focusing on quality & reliability, making installation faster, safer, more efficient, and more cost-effective.
