-----

Safety designs such as water and electricity separation, three-level fire protection + explosion venting + exhaust, liquid cooling + dehumidification design, all ensure the safety of the energy storage ...

Our battery enclosures can be pole-mounted or ground-mounted and are suitable for indoor and outdoor applications. If you are not sure which enclosure you should choose, please don't hesitate to email ...

The MOBICELL-15K is a modular three-cabinet clean power system engineered to replace diesel generators for backup and mission-critical power. Ideal for telecom, industrial and remote off-grid ...

During power outages in the main power grid, the ESS can provide continuous power supply to local loads to ensure uninterrupted production and operation for C& I users. This solution uses 5 sets of ...

We design and engineer custom Solar Power Systems for Oilfield Services, Gas Pipelines, Off-shore Drilling, Injection Sites, Wellhead Locations and Related Oil and Gas Service Companies.

The multi-energy battery integrated cabinet integrates the battery photovoltaic controller, grid connection and off-grid, EMS, power distribution, air conditioning and fire protection in ...

From hybrid solar + propane SOFC systems to multi-cabinet methanol HT-PEM backup platforms, MOBICELL cabinets ensure dependable, diesel-free power. Every system is remotely monitored ...

Our on-site solar energy kits are capable of providing all necessary power without the need of a grid. Our reliable design means there will be no lapses of power, keeping the pipeline charged and protected.

We have extensive experience conducting studies pertaining to the design and deployment of stand alone solar systems into the operations of electric utility companies, including distribution systems ...

## Off-grid type Lome solar cabinets for oil platforms

We provide solar-powered and hybrid systems engineered for remote or stand-alone applications. These systems are ideal for areas prone to lengthy weather-related outages or where grid power is ...
