DDB Unlimited manufactures NEMA outdoor cabinets to protect telecommunications, fiber optics, Wi-Fi and other electronics from the outdoors.

These cabinets are constructed using high-quality materials and fortified with secure locking mechanisms, tamper-evident seals, and intrusion detection systems to deter unauthorized entry.

These design features ensure that outdoor communication cabinets can provide comprehensive protection for internal communication equipment in various complex and harsh environments, ensuring stable operation.

When it comes to reliability, our KDM outdoor telecommunication cabinets are second to none. Built from stainless steel, aluminum, or galvanized steel, you can trust in their performance, no matter the conditions.
