High power up to 505W - Up to 22.7% module efficiency, on 210 innovation platform. Patented i-TOPCon technology with continuous efficiency improvement, including contact resistance reduction, ...

Our flagship module, the Vertex S+ 500W+, is engineered to help you decarbonise your business. With an impressive power output of 505W and lightweight and compact module design, it's the ideal ...

The Trina Solar Vertex S+ Dual Glass is based on N-type i-TOPCon cell technology. Dual-glass improves durability, fire resistance, and performance. The panel delivers 505W output power and ...

The panel delivers 505W output power and 22.7% module efficiency. The upgraded dual glass of Vertex S+ is less prone to micro-cracks and scratches on the back during installation.

Trina Solar Co., Ltd. Solar Panel Series Vertex S+ TSM-NEG18R.20 475-505W. Detailed profile including pictures, certification details and manufacturer PDF.

TRINA VERTEX 505W monocrystalline photovoltaic module with MC4-EVO2 connectors and long cables. Black frame and 15-year product warranty, with a maximum snow load of 6000Pa on top.

TSM-505NEG18R.28/.20 Solar Panel Product Information - (505W) by Trina Solar Co Ltd including datasheet and warranty information where available.

Discover the Trina 505W NEG18RC.28 BF Dual Glass solar panel, offering high efficiency and durability for reliable renewable energy solutions.

Trinasolar 505W Vertex S+ dual-glass module combines 22.7 % N-type i-TOPCon efficiency, bifacial gain, -0.29 %/°C temp coefficient and 30-year power warranty in a black-framed 23.5 kg ...
