Why should you choose wesgar battery storage cabinets?

Rely on Wesgar to produce first-class battery enclosures and take care of your unique needs. Our quality custom lithium-ion battery storage cabinets are skillfully fabricated leveraging our 250+ team of professionals, leading-edge equipment and robotics, and 55+ years of dedication to best practices on our 4-acre plant in British Columbia.

Are lithium batteries trouble free?

They are generally trouble free so long as they do not become damaged in the course of their routine use or if they exhibit any defects affecting their performance. Should lithium batteries fail to operate as designed or if they become damaged due to improper storage, they have the potential to start a fire and/or explode.
